

Steels Creek Estate
Established 1981

Dear Customers and Friends,

The 30th anniversary year special for July is Colombard! Colombard was the favourite wine of our beloved mother who passed away on 22 June and to celebrate her life we are making this month's special Colombard. For every 3 bottles of **2008 Colombard** purchased at cellar door you will receive a 4th bottle free. If you can't make it to cellar door in July we can ship you 12 bottles of Colombard for \$180 (12 bottles for the price of 9) plus freight! Email us if you want to order.

SCE News

On the 18th & 19th of June we celebrated the winter solstice with the Shortest Lunch festival. It may have been a bit cold, wet and windy outside but the atmosphere was warm and friendly inside the winery. It was great to see the happy faces of so many of our regulars enjoying the festival as well as many new comers. The food was enjoyed by all with plenty of compliments for the chef. The wine tasting bench also received plenty of compliments for the quality of our wines. We released our stunning 2004 Cabernet Sauvignon and for the first time ever Cabernet outsold our very popular Shiraz. If you did not make it to the Shortest Lunch you need to make time to come and try this wine!
