Dear Customers and Friends,

The 30th anniversary year special for September is our fabulous 2004 Cabernet Sauvignon. Since release for the shortest lunch in June this wine has been rivalling our Shiraz for the position of most popular wine. 2004 was a great year for Cabernet in the Yarra Valley and this wine is no exception receiving 93 points from James Halliday – “plenty of depth to the texture and structure, the blackcurrant fruit with just a touch of earth; good length and finish”. For every 3 bottles of 2004 Cabernet purchased at cellar door during September you will receive a 4th bottle free*. If you can't make it to cellar door this month we can ship you 12 bottles of 2004 Cabernet for \$270 (12 bottles for the price of 9) plus a small charge for freight! Email us if you want to order.

Barrel Tastings

Starting on father's day September 4, and for every Sunday in September we will be offering mailing list customers visiting the cellar door for a tasting the opportunity to also taste the 2011 Cabernet from the barrel. Don't miss out on this unique opportunity to play at being the winemaker and taste the wine at this youthful stage.

Pruning

Winter is the time for pruning and this year Simon was left with the bulk of the hard work as Joanne picked up a contract to work in the city. Though it took a little longer this year, the job is now complete. The vineyard is looking very clean cut and tidy all ready for bud burst in spring. An exciting time in both the vineyard and garden as the cycle of leaves, flowers and fruit starts over again.
